

# Thin Sliced Steak

Offering a full portfolio of steak thicknesses, packaging formats, and beef grades. Thin Sliced Steak is a great ingredient without demanding to be center-of-plate so less goes further.

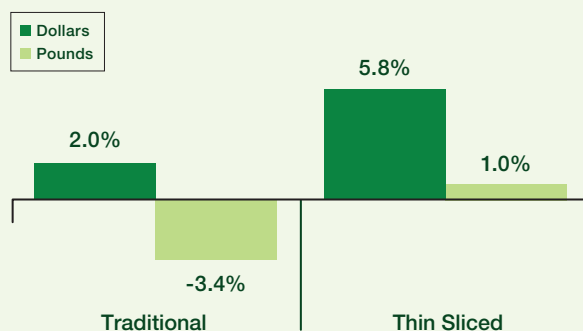

## Consumers are Searching for Value and Thin Sliced Steaks Deliver

Amid inflation, Thin Sliced Steak offers lower unit pricing for shoppers, leading to greater segment growth.

Average Price Per Unit

Amid declining total fresh beef volume trends, Thin Sliced Steak stands out, with dollar and volume growth.
