We Are a Wholesale Leader

Cargill is one of the most active participants in the North American wholesale power marketplace. Our breadth of experience in the U.S. and Canada, combined with unsurpassed financial stability, makes Cargill a trusted partner for all types of power customers.

Deeper Insight, Improved Decisions

Cargill provides customers access to a sophisticated team that gathers and analyzes broad based market information, enabling you to use a deeper level of market insight to improve your trading and supply chain management decisions.

Drive Your Bottom Line

By offering wider market participation in all NERC regions, Cargill can increase your access to reliable power supply and price certainty – helping drive your bottom line.
