

Sun Valley Foods – Shobdon

From Sun Valley Foods, Hereford: Turn right onto Grandstand Road. Follow the road round until you come to a mini roundabout and take a left turn to Holmer Road. Go over the next roundabout heading for Leominster

(A49). Take the A44 Kington Road up the hill (Bargates) out of Leominster. After approximately 1 mile, bear right at Barons Cross Garage. About two miles further on, turn right at junction to Kingsland, and after travelling through the village, turn right at the junction by the MONUMENT. Travel on along a straight road (1½ miles) until you reach a crossroads upon which is situated another public house - MORTIMERS CROSS. Turn left at this crossroads (first sign post marked for - Shobdon 2 miles) and travel up the hill - on the brow of which there is a RIGHT turn (Uphampton-Easthampton) which needs careful negotiation because of oncoming traffic. Once safely into a narrow lane, travel on for about a mile and you will come to a very small crossroads, cross straight over, down through the avenue of trees to the church on your left, just past which is the new hatchery on the right hand side.

Note : The village of Shobdon is 9 miles WNW of Leominster, and 16 miles

SW of Ludlow.
