

MORINGA MOISTURIZING BODY STICK

with Floralipids® Moringa Oil Refined, Florasun® 90, Floralipids Moringa Butter, and Floraesters® 30

This formula taps into the trend of moisturizing sticks which can be used on various areas of the body. **Floralipids Moringa Butter**, a product of interesterification between moringa wax and moringa oil, helps fortify stick strength and lends occlusivity to improve skin hydration. Compared to other popular butters, **Floralipids Moringa Butter** has a better skin feel and contains no trans-isomers. **Floralipids Moringa Oil Refined** is shown to be one of the most oxidatively stable botanical oils available.

Phase	Trade Name	INCI	Supplier	%WT
A	Floralipids Moringa Oil Refined	Moringa Oleifera Seed Oil	Cargill Beauty	20.00
