

Diamond Crystal® Bright & Soft® Salt Pellets

Keep your shower and appliances running smoothly by transforming your hard water with high purity Bright & Soft® Water Softener Salt Pellets. Our water softener salt pellets contain up to 99.8% pure salt to transform your home's hard water to soft water.

These compacted water softener salt pellets are specially formulated to prevent mushing and bridging in the water softener brine tank—helping to keep your water softener clean and trouble-free. Our patented two-handled bags make lifting and carrying easier than ever. Bright & Soft® Water Softener Salt Pellets are recommended for most water softeners.
