How we work to nourish the world

We are a family company providing food, ingredients, agricultural solutions and industrial products to nourish the world in a safe, responsible and sustainable way.

We connect farmers with markets so they can prosper. We connect customers with ingredients so they can make meals people love. And we connect families with daily essentials—from eggs to edible oils, salt to skincare, feed to flooring.

By providing customers with products that are vital for living, we help businesses grow, communities prosper and consumers live well in their daily lives.

We lead with our values

As we envision the future we can create together, we look to the values that have steered us from the start. We put people first. We reach higher. We do the right thing.

How we source, make and deliver goods that are vital for living

Source and trade

Partner with farmers and ranchers growing crops and raising animals.

Originate, source, store and trade commodities.

Provide global insights and risk management solutions.

Make and transport

Transport goods from where they're grown and produced to where they're needed.

Craft meat, egg and alternative protein products, and salt, oils, starches, cocoa and sweeteners.

Formulate feed to support animal health and productivity.

Create nature-derived, bio-based products and biofuels.

Deliver for customers

Sell food products and ingredients, agricultural solutions and bio-based industrial products to manufacturers, farmers and ranchers, foodservice customers, retailers and consumers—to nourish the world in a safe, responsible and sustainable way.

How we make a difference

Making Connections

Sitting at the heart of the global supply chain, we bring people together to make the world's food and agriculture system more sustainable, resilient and accessible.

Bringing perspective

With over 160 years of experience, we offer trusted expertise and a long-term view, so we can do the right thing—today and for generations to come.

Thinking ahead

We listen and we care, so we can anticipate and meet our customers' needs and innovate with purpose in an ever-changing world.

Partnering sustainably

With sustainability embedded in our purpose, it's part of everything we do. We build sustainable supply chains that benefit people and the planet we share.
