**We lead with our values**

We put people first. We reach higher. We do the right thing — so our customers can succeed, and our communities thrive.

**How we work to nourish the world**

Sitting at the heart of the supply chain, we bring people together to make the world’s food and agriculture system more sustainable, resilient and accessible.

With over 158 years of experience, we offer trusted expertise and a long-term view, so we can do the right thing — today and for generations to come.

Through purposeful innovation, we help people overcome challenges and embrace opportunities to empower healthy growth.

Our teams bring their passion and expertise to build sustainable supply chains that benefit people, our customers and the planet we share.
