PURCHASE ORDER TERMS AND CONDITIONS

1. TERMS OF ORDER. These terms and conditions (which include the terms and conditions on the face of the applicable Purchaser’s Purchase Order (“Order”) set forth the entire understanding between the Vendor and Purchaser and supersede (i) all other prior agreements, written or oral, between the Vendor and Purchaser with respect to the subject matter of this Order (except where the Order explicitly incorporates or references a written agreement between Vendor and Purchaser, in which case the terms and conditions of that written agreement apply and supersede these standard Purchase Order Terms and Conditions) and (ii) any additional or conflicting terms contained on Vendor's acknowledgment, confirmation, invoice or similar documents. Any additional or conflicting terms will have no effect.

2. REPRESENTATIONS AND WARRANTIES. Vendor represents, warrants and covenants that:

g. not dispose or permit the release of any materials, substance or chemical (or any waste generated or resulting from the use thereof) on Purchaser’s premises;
h. inspect any Purchaser-supplied equipment, tools, scaffolding and/or other materials ("Purchaser Materials");
i. not use any Purchaser Materials unless they are suitable for their intended use and will return all Purchaser Materials to Purchaser in a like condition in which they were borrowed;

n. remove Vendor employees, representatives and other personnel providing services from Purchaser’s premises upon request of Purchaser.

(iv) no liens or claims will be filed, maintained or enforced by Vendor or its suppliers or subcontractors for any service performed or materials provided.

3. DELIVERY. Vendor shall inform Purchaser immediately if any or all goods cannot be delivered or services cannot be completed within the stipulated time. If the Vendor shall fail to so inform Purchaser of any such delay in delivery or performance, Purchaser shall have the option either to impose the penalty as set forth Annex __, or (a) in case of a supply of goods, to make an open market purchase of the items undelivered and charge the Vendor the excess in price, if any, and any incidental costs in such purchase; or (b) in case of a supply of services, engage another vendor to perform the service and charge the Vendor the excess in price, if any; or perform the service itself, and in any case charge the Vendor any incidental costs in engaging another vendor or in performing the service itself. In any case, Purchaser reserves the right upon written notice to the Vendor to rescind or cancel the relevant Purchase Order/s.

The delivery period may be extended at Purchaser’s option (which must be exercised in writing), and only when delay has been caused by an act of the government, Force Majeure (subject to Clause 14) or to conditions clearly beyond the Vendor’s control. If complete delivery or performance is still not made within the extended period, Purchaser may, at its sole option, and upon written notice to the Vendor, consider the relevant Purchase Order/s cancelled or terminated and require the Vendor to pay all costs, losses and damages incurred by Purchaser as a result of the Vendor’s failure to deliver or completely deliver the goods or perform the services.

Purchaser may, at its sole discretion, deduct the value of the aforementioned penalties from any monies that may become due to the Vendor.

4. ACCEPTANCE. Purchaser will have a reasonable period of time after delivery or performance within which to inspect and accept the goods or services. The receipt of goods or services, the inspection or non-inspection of or payment for the goods or services, will not constitute acceptance of the goods or services and will not impair Purchaser's right to (i) reject nonconforming goods or services, (ii) recover damages and/or (iii) exercise any other remedies to which Purchaser may be entitled. Further, acceptance of goods or services will not waive any rights or remedies accruing to Purchaser as a result of any breach of the Order. Rejected goods may be returned to Vendor or otherwise disposed of at Vendor’s cost and expense.

5. PRICE AND TAXES. Price and delivery terms are as stated on the face of the Order. Vendor is responsible for
notifying Purchaser if there is a change in the price prior to shipment so that the Order may be corrected before receipt of the goods or services. Purchaser will not be responsible for any price increase if Purchaser is not notified of such increase in advance of the shipment. Unless otherwise provided on the face of the Order, the price includes (i) all costs to comply with the terms and conditions of the Order, (ii) any and all taxes, including sales, use, excise, value added and other taxes, and (iii) fees, duties, or other governmental impositions on the sale of the goods or services covered by the Order.

6. INVOICING AND PAYMENT. Vendor will invoice Purchaser for the amounts due under the Order. Except as otherwise set forth on the face of the Order, and subject to applicable Construction Lien and Builders’ Liens legislation, Purchaser will pay Vendor all undisputed amounts within forty-five (45) calendar days after receipt of the applicable invoice or receipt of the goods (or performance of the services), whichever is later or within such lesser period of time as is required by Law.

7. PROPRIETARY INFORMATION AND MATERIALS. All drawings, specifications and other copyrightable documents and any molds, dies, tools, equipment, recipes, trade secrets, patents, trademarks or the like furnished by or on behalf of Purchaser are for use solely with respect to the Order. Vendor (i) will not have any rights to, property or interest in the same except to the extent necessary to execute the Order, (ii) will be responsible for maintaining the same in proper working order subject only to normal wear and tear and (iii) upon completion (or earlier cancellation or termination) of the Order, will promptly destroy or return these items, as requested by Purchaser.

8. OWNERSHIP OF INVENTIONS. With respect to new or modified goods/services, the parties agree that all rights, titles, and interest in any and all inventions (including discoveries, ideas, or improvements, whether patentable or not), which are conceived or made during or after the term of the Order and are (i) based upon or arising from Purchaser's information, or (ii) developed specifically for Purchaser hereunder, will belong to Purchaser. In the event that Vendor produces works of authorship specifically for Purchaser under the Order (“Works”), the Works will be deemed “works made for hire” and Purchaser will receive all rights, title, and interest thereto. However, if any Works are not determined to be “works made for hire”, Vendor agrees to assign, and hereby assigns to Purchaser and its successors the entire right, title, and interest, in and to the Works. Nothing in the Order will affect the pre-existing intellectual property rights of the parties.

9. CONFIDENTIALITY. Vendor agrees to keep confidential the terms and conditions of the Order and all proprietary information disclosed by or on behalf of Purchaser or otherwise learned or obtained by Vendor in connection with the Order or the performance hereof. Vendor will not use any of this information other than in connection with the performance of the Order and will not disclose any of this information except to the extent required by law and then only after prior notice to Purchaser.

10. AUDIT. Subject to reasonable confidentiality obligations, Purchaser will have the right to audit and inspect the records and facilities of Vendor and Vendor’s agents, representatives and subcontractors used in performance of the Order or relating to the goods or services to the extent reasonably necessary to determine Vendor’s compliance with the Order. Vendor will provide Purchaser or its third party designee conducting the audit or inspection with reasonable assistance, including without limitation access to buildings, appropriate personnel and work space. Purchaser’s audit/inspection, or failure to conduct any audit or inspection, will not release Vendor from any of Vendor’s obligations.

11. TRANSFER OF TITLE AND RISK OF LOSS. Title to the Goods shall transfer to Purchaser only upon delivery to the Purchaser and Purchaser’s acceptance thereof. Except as otherwise set forth in the delivery terms on the face of the Order, Vendor will retain the risk of loss and/or damage to the goods until the goods are physically delivered to Purchaser.

12. SUPPLIER CODE OF CONDUCT. Cargill expects Supplier to conduct business responsibly, with integrity and transparency, and to adhere to the code of conduct set forth in Cargill’s Supplier Code of Conduct.

13. INDEMNIFICATION. Vendor agrees to indemnify and hold harmless Purchaser, its affiliates and their
directors, officers, employees, agents, and representatives from and against any and all liability, loss, damage, fine, penalty, cost or expense (including reasonable attorneys’ fees) to the extent arising out of or resulting from (1) any non-conforming good or services; (2) any alleged or actual, direct or contributory infringement or misappropriation of any patent, copyright, trade secret or other proprietary right arising from the purchase, use or sale of the goods or services provided by Vendor; (3) any leak or spill of any materials, substances or chemicals while being transported or delivered to Purchaser or while on Purchaser’s premises; (4) any breach by Vendor of any term or condition contained in the Order; (5) the use of any Purchaser Materials or any person in the employ of Purchaser to perform any of the services under the Order and/or (6) the negligent acts or omissions, or willful misconduct of Vendor, Vendor's subcontractor’s, employees, agents, representatives and any person performing services under the Order. Without limiting the foregoing, Purchaser may require Vendor to re-deliver against non-conforming goods or re-execute non-conforming services at Vendor’s cost and expense.

14. CANCELLATION/TERMINATION. Except to the extent prohibited by applicable law, Purchaser (i) may cancel an Order for any reason or no reason prior to shipment of the applicable goods or performance of services by providing written notice to Vendor and (ii) may immediately terminate the Order, even after shipment, by providing written notice to Vendor if Vendor breaches any term or condition of the Order or becomes insolvent or subject to any proceeding under any bankruptcy or any insolvency law.

15. FORCE MAJEURE. Each party will be excused from a failure to perform or a delay in performance to the extent caused by events beyond its reasonable control. The party claiming excuse from performance must take reasonable efforts to remove the cause of its inability to perform or its delay in performance. The party claiming excuse from performance must give prompt written notice to the other party of the event, specifying its nature and anticipated duration. If Vendor’s performance is excused or delayed for more than twenty (20) calendar days, Purchaser may terminate the Order by giving Vendor written notice, which termination will become effective upon receipt of notice. If Purchaser terminates the Order, Purchaser’s sole liability will be to pay any balance due for conforming goods and services delivered by Vendor before receipt of Purchaser’s termination notice.

16. INSURANCE. Vendor agrees that during the term of its performance hereunder, it shall, at its sole cost, maintain Worker’s compensation insurance and other legally required insurance in accordance with and meeting all requirements of applicable law.

17. GOVERNING LAW. The laws of the Philippines will govern the Order. Any dispute arising from the Order will be resolved as provided under the Products Agreement or Services Agreement between Vendor and Purchaser.

18. BUILDERS’ LIEN ISSUES. If applicable, Vendor agrees to comply with applicable Construction Lien and Builders’ Liens legislation. Such Construction Lien and Builders’ Liens legislation shall govern the payment of monies by Purchaser to Vendor. Prior to final payment under this Agreement, Vendor shall provide to Purchaser a statutory declaration that all subcontractors, all suppliers and material men, and all assessments under applicable Workers’ Compensation and Workplace Safety and Insurance legislation have been paid in full.

20. WAIVER. Purchaser’s failure or delay in exercising any right or remedy with respect to the Order will not operate as a waiver of that right or remedy. Any waiver of a right or remedy must be in writing and signed by Purchaser.

21. ASSIGNMENT/SUBCONTRACTING. Vendor may not assign or subcontract its rights and obligations under the Order without the prior written consent of Purchaser.
22. SEVERABILITY. If any provision of the Order is held by any court to be invalid, illegal or unenforceable, either in whole or in part, that holding will not affect the validity, legality or enforceability of the remaining provisions, or any part thereof, of the Order, all of which will remain in full force and effect.

23. No modification of the Order will be effective unless in writing and signed by both parties.
