

# Purified Sea Salt Powder

## Product Description

### Purified Sea Salt Powder

This material is a food grade, granular, white crystalline sodium chloride product manufactured under stringent process control procedures. Cargill Sea Salts are made from Pacific Ocean sea salt, which is harvested from ponds near the San Francisco Bay.

### Product Application

This material is recommended for use in products requiring a very fine crystal size for uniform blending. It is ideal for use on dry soup, cereal, flour and spice mixes, as well as for topping snack foods. This material contains Tricalcium Phosphate, which is added to improve caking resistance and flowability.

### Product Certifications

Cargill® Sea Salts meet USDA, FDA and Food Chemicals Codex for food use.

Cargill® Sea Salts are certified Kosher for Passover (OU-P) by the Orthodox Union.

### Allergen Status

In accordance with the 2004 USA Food Allergen Labeling and Consumer Protection Act (FALCPA), no allergen declarations are required for this product.

### Storage and Shelf Life

Salt products do not have a shelf life in the traditional sense. Salt will not spoil or support pathogenic growth. Please see the following information regarding Shelf Life, Caking Resistance, and Storage conditions:

**Shelf Life:** Indefinite

**Caking Resistance:** Caking resistance varies depending on the crystal size, additives and storage conditions. End use application should be taken into consideration when determining acceptable product life in regards to caking resistance. Cargill Purified Sea Salt Powder has an estimated caking resistance of 9-12 months.

**Storage Conditions:** To improve caking resistance, product should be stored in a dry, covered area at humidity below 75%.

## Physical Information

### Purified Sea Salt Powder

PHYSICAL	MIN	TARGET	MAX

## Why Cargill?

- Salt products are an integral part of Cargill – one of the world's largest food ingredient providers and a recognized leader in the food processing industry.
- Our products go well beyond standard and high purity salt: Our Alberger® brand, Microsized®, Premier™, CMF®, sea salts, and our sodium reduction solutions such as Potassium Pro® and FlakeSelect®, make up the most extensive product line in the Industry.
- All products are produced under HACCP manufacturing practices and audited by a third party food safety firm.
- We offer full EDI capabilities for customers who need to exchange information via Electronic Data Interchange and the only online ordering portal in the industry, www.cargillsaltstore.com.
- Cargill's nationwide distribution capabilities, combined with the best logistics and customer service specialists in the business, ensure that you get the right salt at the right time.
