Re: Egg Country of Origin

Dear Valued Customer

Thank you for requesting information regarding the country of origin of Egg products produced at Cargill Kitchen Solutions, dba Cargill Protein (hereinafter "Cargill"). The purpose of this letter is to provide you with factual information and aid in your assessment of any claims you make about your product(s). The egg products produced at the following facilities are made in the United States:

**Facility Location**

Lake Odessa, MI  
Mason City, IA  
Monticello, MN  
Big Lake, MN

**FSIS Establishment #**

G1804 / 1804 / P-1804  
G21377 / 21377 / P-23177  
G1215 / 5617 / P-5617  
P-46373

We have certain items that are produced for Cargill at non-US facilities, if it is needed to have a "Product Country of Origin" please contact [Techsvs\\_Requests@cargill.com](mailto:Techsvs_Requests@cargill.com) for more information of the ingredients contained in the finished product.

Cargill will continue to strive for excellence in providing our customers with high-quality product manufactured under strict food safety standards. For additional information and/or updates please visit our website: <https://www.cargill.com/meat-poultry/meat-food-safety>. However, should you have any specific questions please contact us at [Techsvs\\_Requests@cargill.com](mailto:Techsvs_Requests@cargill.com). As a valued customer, we appreciate your partnership and are pleased to help meet your needs.

Sincerely,

Angela L. Siemens, Ph.D.  
Vice President Food Safety, Quality & Regulatory  
Cargill Protein Group
