

Transparency of Sourcing Statement

Animal Protein North America

Products: Beef and Further Processed

Thank you for requesting information regarding the country of origin for cattle harvested and products manufactured at Cargill protein facilities. The purpose of this letter is to provide you with factual information and aid in your assessment of any claims you make about your product(s). The animals harvested and/or raw meat and poultry materials, as well as other raw materials/ingredients utilized to manufacture the finished products primarily come from, but not limited to, the following countries:

- United States (US)
- Canada
- Mexico
- Australia
- New Zealand
- Nicaragua
- Brazil
- Uruguay

All cattle and/or raw materials have been legally imported from other countries into the US. All product produced out of the below US establishment numbers meet 9 CFR 412 and meet "Product of USA" claim:

In the United States, on December 18, 2015 the omnibus bill repealed the May 23, 2013 and January 2009 rules on COOL requirements for muscle cuts of beef and pork. Cargill has removed the previously required “Born, Raised and Harvested” statements from all applicable labels, unless otherwise agreed upon with customers.

Claims: The labeling, substantiation and decision making of all claims for your products is your responsibility. We recommend you consult regulatory and legal advisors familiar with all applicable laws, rules and regulations prior to making labeling and claims decisions for your products.
