Note:

* Mills that have been struck off from our mill list are those which our suppliers formerly purchase from but have been suspended from our supply chain. We will continue to reflect these changes as they get updated

** Direct suppliers: Cargill contracts directly with the mill.

** Indirect suppliers: Cargill does not contract with the mill. Instead, Cargill sources from the mill through an intermediary. Cargill's contractual relationship is with the intermediary (e.g. a third-party crusher, refinery or another trader).
