Wax Melts

### BIO-ENGINEERED STATUS

The product(s) listed above are produced from non-identity preserved soybeans. Although genetically-engineered [soybeans] are used to produce our products, qualitative PCR test results for our NatureWax products have been ND (non-detectible).

Further information is available upon request. The product(s) listed above are also produced from palm. There are no commercially available varieties of palm that have been genetically modified ("GM") via recombinant DNA.

# NatureWax<sup>®</sup> Elite 460

## PACKAGING & CODING

### Lot Code Format

The Lot Code is a unique number generated by our sales order system. From this unique number, we are able to trace back through our processing steps within our Quality Control System to the source oil(s).

## SHELF LIFE, SHIPPING & STORAGE INFORMATION

### Packaged Product

18 months from Date of Pack. Testing toward end of anticipated shelf-life may suggest that shelf-life may be extended. Please request assistance if this is required.

For ease when using, store at 65-85°F. Protect from extreme heat and cold (temperatures over 90°F and under 40°F).
