## Looking good inside & out

### Insight

+ Today's consumers expect their products to look good inside and out: not only having the right appearance is essential, so is the content of the ingredient list found on the backlabel of end-products.

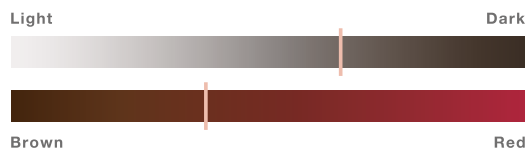

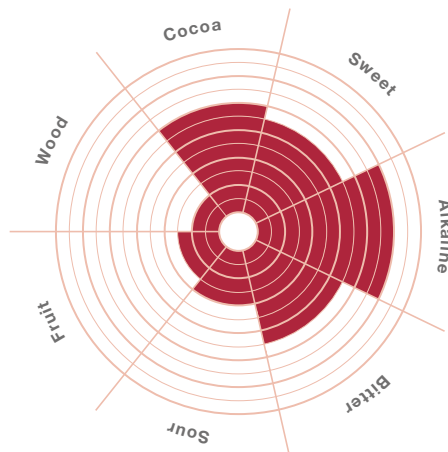

### Benefit

+ The Gerkens® GS range can help you offer "cleaner" products, without having to declare negatively perceived ingredients on your ingredient list\*, yet maintaining the same tempting appearance of the Gerkens® dark cocoa powder.

### What's in it for you

- + The new Gerkens® GS range is a premium selection of five dark cocoa powders with a distinctive appearance, from dark red to dark brown.
- + With the Gerkens® GS range, you can offer end-products with a cleaner ingredient list as there is no need to declare alkalizing agents\*.
