

Grievances not within the scope of Cargill's Palm Grievance Procedure

Cargill investigates all grievances raised through engagement with our suppliers. Any grievance within the scope of Cargill's Palm Grievance Procedure is documented on our Grievance Dashboard. Grievances that fall outside the scope of our Palm Grievance Procedure have been disclosed in this document to provide transparency to grievance raisers. Examples of grievances outside our scope include grievances linked to non-palm commodities and grievances involving companies that are not in our supply chain. Refer to our [Palm Grievance Procedure](#) for more information on our grievance process and scope.
