

FAT-REDUCED SAVORY MINTED YOGURT COOLER

FAT-REDUCED SAVORY MINTED YOGURT COOLER

Propelled by health and wellness, savory yogurts are making big moves. As with many dairy products, whilst consumers really enjoy the creamy mouthfeel of a yogurt, they are also concerned about high fat content. Manufacturers need to reach that sweet spot between indulgence and health.

This 30% fat-reduced mint and cumin yogurt with all the creaminess of a full-fat version is doing just that, thanks to **C☆CreamTex® 06329 modified starch**.

A cooling and healthy breakfast choice with a novel savory profile, best served on rye toast with ripe avocado, lemon drizzle and a salad on the side.

Ingredient list

- Fermented milk
- **Modified starch (C☆CreamTex® 06329)**
- Lemon juice
- Mint
- Garlic
- Cumin
- Salt
