

Technical Document Date Interpretation Statement

Animal Protein
Alternative Protein

North America

All Products

Due to the large number of technical documents we have on file to share with our customers for all the Cargill Protein products, Cargill does not update the document dates with the current calendar year. The technical documents on our website and/or have sent you are reviewed on a predetermined frequency basis the criticality of the technical content. The technical documents provided to you are the most current versions, regardless of the date of the document, as these technical documents do not expire.

Claims: *The labeling, substantiation and decision making of all claims for your products is your responsibility. We recommend you consult regulatory and legal advisors familiar with all applicable laws, rules and regulations prior to making labeling and claims decisions for your products.*
