# gerkens® AM70 Tropicque

Transport your consumers to the tropical depths of Ivory Coast.

## Insight

- + Tropical fruits, citrus, berries and florals are all flavors that are currently trending amongst cocoa and chocolate consumers.
- + There is also a growing market trend of provenance and a desire for traceability. Global consumers prefer to buy food and beverages when they know where they were grown or produced.

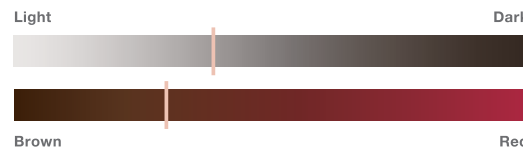

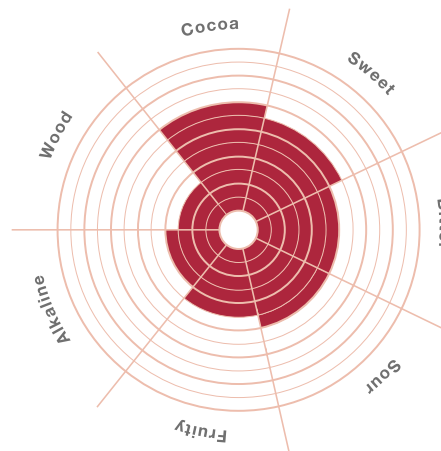

## Benefit

- + Gerkens® AM70 has a nice chocolatey and mild taste that brings forward the recognizable fruity and tropical flavors of Ivory Coast.

## What's in it for you

- + Try the Gerkens® AM70 specific and recognizable fruity and tropical flavor.
- + Explore single origin cocoa from Ivory Coast with a rich story and a unique flavor profile determined by the soil, climate and farmer know-how.
- + Discover the versatility in applications, making AM70 suitable for confectionery, bakery, beverages, dairy and more.
