More flavor. Less labor.

Students are looking for affordable uniqueness, while operators are looking to do more with less.¹ You need a foodservice partner with fresh ideas and versatile products that make it easy for you to innovate while simplifying your back-of-house prep-time and labor costs.

Welcome to Cargill.

CAPABILITIES BUILT FOR C&U

Tap into our vast portfolio of resources and services:

Culinary and R&D teams with unmatched technical and food safety expertise

Innovative product development to match student dining trends

Diverse ingredient and flavor exploration

The highest quality assurance and safety standards

Nutrition labeling and product training

Digital solutions

¹Returning to the Morning Routine, Technomic, June 2021

Innovating across your menu and campus

Today's students expect new and unique flavors, "healthier" menu options and convenient, on-the-go items that fit their lifestyle. Let us help make your dining program distinctive while combatting labor and training concerns.

WHAT STUDENTS WANT²

Grab-n-Go

Convenient, quality options similar to other quick-serve favorites

Ethnic Cuisines

Dishes featuring bold, authentic flavors from around the world

Digital Solutions

Set up **HOT TAKE** and **cheqt** with "in-the-moment feedback" and seamless mobile app-to-food integration

Food Integrity

From sustainable sourcing to cage-free, vegan, vegetarian and allergen-free options

Leading in Sustainability

Since our founding over 150 years ago, we have been dedicated to feeding the world in a responsible way. See how Cargill is making the future of food more sustainable, in line with the values of the students you serve.

BOLD GOALS, BIG STEPS

30% Cut in Greenhouse Gas Emissions

Per ton of product, across global supply chains by 2030.

Saving Water Through Collaboration

By equipping farmers with innovative irrigation technology through a 3-year project with Nestle Purina and the Nature Conservancy.

Top Ranking in Animal Welfare

1 of only 22 food companies with a Tier 1 or Tier 2 ranking by the Business Benchmark for Farm Animal Welfare.

Helping Cocoa Farmers

As a global leader in cocoa and chocolate, we believe improving the lives of cocoa farmers goes hand-in-hand with our success.

Sourcing Stevia Sustainably

Cargill's High Intensity Sweetener (HIS) Product Line created the Stevia Sustainability Agricultural Standard in 2010, with 137 control criteria.

Quality Products

with speed-scratch ease

Our versatile, value-added products are easy to prepare and personalize, so you can add unique twists to create standout menu options. Discover how they can transform your operation!

SIMPLY SMARTER

- ✔ Significant labor and time savings
- ✔ More menuing possibilities across all campus venues
- ✔ Bigger, better taste experiences
- ✔ Trending dietary and lifestyle selections

Protein Products

Our diverse protein lineup offers quality nutrition and maximum menu appeal.
