Re: Genetically Modified Sources – Beef By-Products

Dear Valued Customer,

Thank you for requesting information regarding Cargill Meat Solutions Corporation and Cargill Limited, dba Cargill Protein practices regarding Genetically Modified Sources (GMO) for Cargill's beef by-products. The 100% beef by-products supplied are not derived from GMO organisms<sup>1</sup>. This letter covers the following ingredients: Tallow, Meat and Bone Meal (MBM), Blood Meal, Gel Bone, Plasma, Variety Meats, Inedible Beef Materials, and Hides.

Cargill will continue to strive for excellence in providing our customers with high-quality product manufactured under strict food safety standards. For additional information and/or updates please visit our website: <https://www.cargill.com/meat-poultry/feed-safety-documents>. However should you have any specific questions please contact our office at 316-291-2500 or [Techsvs\\_Requests@cargill.com](mailto:Techsvs_Requests@cargill.com). As a valued customer, we appreciate your partnership and are pleased to help meet your needs.

Sincerely,

Erika Suppe  
Food Safety, Quality and Regulatory Customer Document Specialist  
Cargill Protein Group
