

**SHADY BROOK  
FARMS®**

# Good Feeds Good

At Shady Brook Farms®, we believe good food nourishes students and nurtures their well-being too. We're committed to providing premium turkey products raised with care and respect, without unnecessary antibiotics – ensuring healthier foods for schoolchildren.

**Good actions that lead to good food to feed your students. When you serve Shady Brook Farms® turkey, your school is part of how good feeds good.**

*Turkeys raised with care by*  
**INDEPENDENT  
FAMILY  
FARMERS**

*French Farms, LLC. Augusta County, VA*

## OUR TURKEYS ARE RAISED:

- With no antibiotics used for growth promotion. Antibiotics are only used for treatment and prevention of illness.
- By independent farmers.
- By producers trained on animal handling practices.

## WE DON'T USE GROWTH PROMOTING ANTIBIOTICS\*

All our flocks are raised without growth-promoting antibiotics allowing for a more wholesome product.

\*Turkeys raised with no added hormones or steroids. Federal regulations prohibit the use of hormones or steroids in poultry. Antibiotics responsibly used only when needed for treatment or prevention of illness.

# 78%

of K-12 parents believe that it's important that schools serve poultry products with **"NO GROWTH PROMOTING ANTIBIOTICS."**\*\*
