

# Tarts/Melts

NatureWax® vegetable oil candle wax is a more sustainable alternative to paraffin wax. Sourced from non petroleum-based ingredients, it provides the candle maker with a more reliable long-term supply solution.

## Advantages

- White/light base ideal for addition of colors, giving strong/vibrant results
- High-thermal stability: tolerant of repeated heating cycles without discoloration or malodor
- Very low and stable base odor
- Excellent hot and cold fragrance throw
- Easy demolding of even complex forms, with a smooth and shiny surface finish
- Contains no microcrystalline, paraffin or synthetic additives

## Products

NatureWax® 660-55M

NatureWax® C-403
