Product Description
Cargill NatureWax® S-113 is a refined hydrogenated soybean oil (vegetable wax) that is ideal for use as a base wax in multiple candle applications and blends well with other vegetable and paraffin waxes.

Applications
• Scented Containers
• Tarts/Melts
• Tea Lights
• Religious Candles

Advantages
• When blended, it can be used over a wide range of ambient temperatures
• Neutral and stable base odor that supports high end fragrances
• Excellent hot and cold fragrance throw
