

# Beyond Convenience

A man with dark hair and a light beard, wearing a tan jacket over a light blue button-down shirt, is smiling and looking down at a burger he is holding in his left hand. The background is a soft-focus outdoor setting. A green border frames the text and the man's face.

At Cargill, we  
believe the “c”  
in “c-store”  
should stand  
for more than  
convenience.

The Cargill logo features the word "Cargill" in a bold, black, italicized sans-serif font. A green leaf-like shape arches over the letter "a". A registered trademark symbol (®) is located to the upper right of the word. A green horizontal line is positioned above the logo.

**Cargill**<sup>®</sup>

## IT MEANS:

**Consistency**

**Consumer insights**

**Culinary expertise**

**Customer-centric  
supply chain**

**Craveable  
foodservice program**

We'd love to bring our experience of supplying leading foodservice companies – along with our extensive capabilities – to your c-store. Flip through to see our extensive line of products to make your c-store a mealtime destination.
