

Sugar

True goodness. Dependable sourcing.

At a time when shoppers are looking for simple, recognizable ingredients in their foods and beverages, few have the same pantry familiarity as sugar.

Cargill is one of the leading sugar marketers in the U.S., with history dating back to 1865, and a strong, strategic network of grower cooperatives to ensure a reliable supply of the purest, highest-quality sugar ingredients.

Sweet solutions

- **Sugar portfolio**, including granulated sugar, powdered sugar, brown sugar and liquid sucrose; refined and estandar sugar (available in Mexico)
- **Label-friendly** — familiar, plant-based ingredients and Non-GMO Project Verified* (U.S.-produced only)
