

Chocolate

High-quality ingredients: the essence of inspiration.

Chocolate is the quintessential, premium ingredient for creating indulgent products that delight the senses. Cargill's vast portfolio includes exceptional chocolates from legendary brands, as well as the ability to custom-craft a product to your precise specifications.

Chocolates you can build a legacy on

- **World-leading brands**, including Cargill,[™] Wilbur,[®] Peter's,[®] Merckens,[™] Ambrosia[®] & Veliche.[®]
- **Diverse portfolio** to meet every recipe, flavor profile & business need.
- **Uncompromising product quality** & consistency, backed by reliable delivery.
- **Streamlined global supply chain** & commitment to securing a thriving cocoa sector for generations to come.

Indulgence

Plant-based offerings

Gluten-free

Deep expertise elevates richness to decadence.

Working with chocolate is both art and science. Temperature, moisture, flow rates and inclusions must be precisely controlled to achieve the gloss, snap and smooth-melting texture consumers crave.

Cargill technical, culinary and sensory teams can partner with you to troubleshoot challenges, refine recipes and optimize performance across real production environments.

Cargill product
