

Wilbur® Guernsey™ Milk Chocolate

Made with Vanilla Bean Powder.

Wilbur Chocolate has been creating exceptional chocolate, confectionery, and specialty products since 1865. Quality and consistency are our keys to success - every batch is carefully crafted for preciseness in color, flavor, smoothness and workability.

Wilbur Guernsey gives notes of coconut, dark fruit, nut, and vanilla. Slight cream, cooked milk, yogurt, and a touch of malt flavors round out this complex palate all to deliver an intense chocolate impact.
