

Peter's® Broc® Milk Chocolate

Super Premium Chocolate Made with Pure Milk Crumb.

Walking in the footsteps of its founder, Peter's Chocolate has remained faithful to its Swiss heritage to create superlative chocolate. Maintaining and honoring the original standards established by its namesake, today we produce the subtle caramelized flavor that distinguishes Peter's® Milk Chocolate beginning with, as Peter did, pure milk chocolate crumb.

Full caramelized flavor resulting from its traditional Swiss formula, Peter's Broc stands as a classic. Its creamy and cocoa notes combine for a pure chocolate finish and easy-to-melt qualities make it blend well with all types of creations.
