

How We Partner

Maria is a commodity risk manager at a large food company

Liz is a risk manager at Cargill Risk Management

Maria helps her business hedge heating oil to lock in process/protect margins on the cost of shipping the product.

Liz works with Maria to understand her overall exposure to the market, budget goals and overall risk management program.

Maria monitors performance of the program and works with Liz to take additional action as needed.

Liz helps Maria implement strategies to mitigate upward price risk and meet budget needs.
